

Get to Know HealthPRO

HealthPRO, Canada's group contracting provider for healthcare. We put decades of knowledge and the purchasing volumes of more than 1,300 member healthcare facilities across Canada to work. We create contracts in all areas of healthcare, from medical supplies and capital equipment through to support services and innovative medications.

We are wholly owned by our members who count on us every day to reduce the cost of the quality products they use and work as a national voice to improve patient safety, maintain assurance of supply, and pursue new ideas and innovations.

Our promise is exceptional contract performance and customer experience. This means, helping you manage product costs, growing funds available for healthcare priorities, getting rid of routine and repetitive tasks, freeing high value time for facility operations and clinicians, and leveraging our global reach to achieve best in class contracts.

HealthPRO, putting knowledge and buying power to work.
